

Bachelor of Applied Business Management

Kia ora, Welcome!

The new Bachelor of Applied Business Management is jointly offered by WelTec and Whitireia. Designed with our industry partners, the new business and management degree gives you the skills organisations need, preparing you to head straight into the workplace.

Majors available at our Auckland and Wellington campuses include:

- Accounting (**Wellington only**)
- Business Analysis and Knowledge Management
- Marketing & Sales
- Supply Chain and Logistics Management

The incorporation of an industry-based (capstone) applied project (45 credits) develops skills in business and management, enabling graduates to be work-ready!

This degree qualification can lead to a 3 year NZ post-study work visa, enabling graduates to gain advanced skills, knowledge and experience working in the New Zealand. BABM degree graduates may progress to:

- Employment
- Graduate diploma in a business specialisation or in a new discipline
- Postgraduate degree or postgraduate diploma study
- Teacher training programme
